What is GeoBlue NavigatorSM?

Worldwide health insurance and services for career missionaries and volunteers.

The GeoBlue Navigator health plan meets the needs of missionaries and volunteers by offering comprehensive worldwide benefits—inside and outside the U.S.—without the typical limits, eligibility conditions and benefit exclusions common among traditional plans. Unlike plans that limit furlough coverage, GeoBlue Navigator covers stateside tours, delivering the continuity and convenience of benefits that are truly seamless and portable.

GeoBlue Navigator is the premier health plan for missionaries and volunteers because it combines these benefits with concierge-level medical assistance and easy access to an elite community of carefully selected hospitals outside the U.S. and a network that includes 92% of all doctors and 96% of all hospitals in the U.S. through the Blue Cross and Blue Shield Network. GeoBlue Navigator gives missionaries and volunteers peace of mind, knowing they always have the freedom to access top medical care and benefits no matter where their ministries take them.

Easy Access to an Elite International Provider Community

GeoBlue has a network of doctors that includes almost every speciality you may need in over 190 countries.

Only a small fraction of doctors around the world meet GeoBlue standards – participation is by invitation only. We seek out professionals certified by the American or Royal Board of Medical Specialties who speak English, and we factor in recommendations from over 165 Physician Advisors from all over the world. Then we assemble in-depth profiles so our members can choose with confidence, and we put formal contracts in place to ensure patient access. Once they've seen you, GeoBlue doctors bill us directly so you don't have to file a claim.

In the U.S. you have cashless access to the Blue Cross and Blue Shield network in all fifty states.

Strength of the Blue Brands in the U.S.

GeoBlue members have access to the Blue Cross and Blue Shield network within the U.S.

How to Apply

Applications are available online or may be initiated by telephone or email. See back cover for details.

A personal check, money order or credit card number must accompany the application and must be sufficient to pay for one month of standard premium. GeoBlue will hold the form of payment until an underwriting decision is made. If your application is accepted, the payment will be applied to your account. GeoBlue will review your medical history as provided on the application and may request an Attending Physician's Statement. GeoBlue publishes standard premium rates for non-smokers. Smokers and other applicants with certain medical histories may be offered a plan at a higher rate. Not all applicants will be accepted. Your effective date of insurance will be on the 1st or 15th day of the month following underwriting approval.

Member Welcome Kit

When your application is accepted, GeoBlue will mail you and any family members covered under the plan a Welcome Kit with identification cards, a certificate of insurance and instructions on how to register online. 7. Conditions of Application

It is important that you carefully read and fully understand the following.

I, the undersigned, understand that, under the GeoBlue Navigator for which I am applying, I may be entitled to lesser benefits if I use a nonparticipating hospital, physician, or other provider, than if I use a participating hospital, physician or other provider.

All applicants age 18 and over must personally read, agree to, and sign the following. If an applicant does not read English, the translator must sign and submit the Statement of Accountability, Section 9, for translating this entire application.

Effective Date

If you currently have health coverage, we strongly recommend that you maintain your current coverage, and allow us to assign your effective date FOLLOWING APPROVAL. If, however, you would like to request a specific effective date, we strongly recommend you allow 30-60 days for underwriting. This will help ensure that your application is processed before you surrender your present insurance and will prevent you from being required to pay for two policies.

NOTE: If a child is born to the participant the child has to be registered within 31 days. All other children including adopted children must go through underwriting.

I request that GeoBlue Navigator assign my effective date if my application is approved. My effective date will be assigned as either the 1st or the 15th of the month following the approval date of my application.

If GeoBlue Navigator approves my application, please assign an effective date of the

1st of the month following approval.

15th of the month following approval.

1st of _____ 15th of _____.

This date must be AFTER the signature date but not greater than 75 days from the signature date on this application.

REQUESTING AN EFFECTIVE DATE **DOES NOT GUARANTEE** UNDERWRITING TO BE COMPLETED BEFORE THE DATE REQUESTED. I UNDERSTAND THAT IF I SELECT AN EFFECTIVE DATE, ONLY GEOBLUE CAN CHANGE THIS DATE, HOWEVER, GEOBLUE CANNOT CHANGE THIS DATE UNDER ANY CIRCUMSTANCES ONCE THE PLAN IS ISSUED.
