Authorization										
I hereby request coverage under a policy underwritten by HCC Life Insurance Company. I understand this insurance contains a Pre-existing Condition exclusion, a Pre-certification Penalty and other restrictions and exclusions. I agree that coverage will not become effective for me or any dependent whose medical status, prior to the effective date, has changed and therefore results in a "yes" answer to any of the medical questions on this application. If my medical status changes in this way, coverage will be declined for all individuals included on this application. I understand that if I have elected the Monthly Payment option, my credit card will be charged each month on the due date of the premium for 6 months. I understand that I may terminate the scheduled payments by notifying HCC Life in writing at least one business day prior to the next scheduled payment date. I understand that this coverage is not renewable or extendable. I understand that the information contained herein is a summary of the coverage offered in the policy and that I may obtain a complete copy of the policy upon request to HCC Life. I understand that HCC Life, as underwriter of the plan, is solely liable for the coverage and benefits provided under the insurance. I understand and agree that the insurance agent/broker, if any, assisting with this application is a representative of the applicant. If signed by a representative of the applicant, the undersigned represents his/her capacity to so act. By acceptance of coverage and/or submission of any claim for benefits, the applicant ratifies the authority of the signer to so act and bind the applicant. Fraud Warning: Any person who knowingly and with intent to injure, defraud, or deceive any insurance company or other person submits an insurance application or statement of claim containing any materially false, incomplete or misleading information may be committing a crime and may be subject to civil or criminal penalties.  The short term medical policy is nonrenewable. The policy could caus
